Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Friday 03 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry on Saturday, some sunny intervals.

This Evening and Tonight:
This evening will be dry, some late sunshine in the west. The rest of the night will remain mainly dry although there will be a lot of cloud around. Minimum temperature 11 deg C (52 deg F).

Saturday:
It will be a dry day nearly everywhere. There will be quite a lot of cloud but some sunshine will break through in places. Perhaps a light shower over Hebrides. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
Dry, bright at first on Sunday, rain spreading east in the afternoon and evening. Mainly dry on Monday, some warm sunny intervals breaking through. Cloudy start Tuesday then sunny, warm.
